

rural extension THE ESSENTIALS

Looking to:

- Build your confidence in doing good extension
- Improve your effectiveness in facilitating change
- Learn about the three approaches to capacity building

then this 2 day Essentials Bootcamp will get you started!

**2 DAY
BOOTCAMP**

Places Limited

“As to methods, there may be a million and then some, but principles are few. The person who grasps principles successfully select their own method.”

Deepen your understanding of rural extension!

Explore strategies and tactics that really work to support change in your rural community.

Join us for this intensive, hands on program as we explore the basics of rural extension and change in rural communities. This Course will deepen your understanding of the core professional skills needed to be effective at extension. You will learn about:

- What is extension
- Change: what it is and how to facilitate it positively
- Working with people: communities, leadership and facilitation
- Learning, Behavioural and Systemic approaches
- Adult Learning: understanding the process
- The Process Knowledge Spectrum
- The 4 stages of Capacity Building
- The keys to communicating messages effectively
- Modern Extension: strategies and tactics
- What makes a great extension activity

The Bootcamp is led by agroecologist David Hardwick. David completed a degree in Ecological Agriculture with focus on rural change. He has been involved in a number of highly successful extension projects including the Digging Deeper Soils Program and the Regen Cane Network. This is an essential fundamentals course for anyone looking to improve their skills and confidence in doing rural extension.

“A really great course! Has inspired me to learn more and deliver info differently.” Qld

David Hardwick

completed a degree in Ecological Agriculture at the University of Sydney with focus on agroecology, land management and rural change. He has been working on innovative extension projects all over Australia for over 15 years.
